BREAKING DOWN THE VALUE OF USACENISSION OF THE CAN SHOW YOU HOW REDIRECTING YOUR FOOD DOLLARS CAN

WHAT IF WE CAN SHOW YOU HOW REDIRECTING YOUR FOOD DOLLARS CAN TRANSFORM YOUR HEALTH AND SAVE (EVEN MAKE) YOU MONEY DOWN THE ROAD? ISAGENIX IS MORE AFFORDABLE THAN YOU THINK.

Here's why:

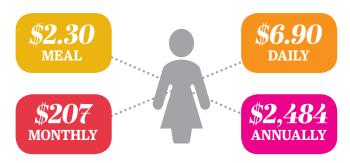

It's a <mark>Real</mark> Value

Isagenix is a meal replacement and much more. If you think of Isagenix as purchasing a majority of your food for the month, it's as simple as reallocating your grocery and eating-out dollars on food that is more affordable and nutritionally better for you. Instead of \$5 here and \$20 there, you're getting all your meals up front, like shopping at your big box, wholesale warehouse, minus the junk and only the highest quality of rare ingredients on the planet.

* The average American spends per month. Resource: http://www.CNPP.USDA.gov

With Isagenix, You Save...**

**Average person eats 90 meals per month. Based on the cost of groceries above, you would save \$2.30 per meal using an Isagenix 30-Day System.
